

## Scope and Sequence

### Year 1

**Achievement Standard** By the end of Year 1, students make connections to their personal experience when explaining ways of living in accordance with God's plan for creation. They identify how people live safely and happily in community and in loving relationship with God. They explain how to respect the dignity and natural rights of all people, to care for all creation by responsibly using God's gift of freedom to make choices. Students relate stories from some Old Testament texts that describe God's presence and action in the lives of individuals and communities. They identify words, actions and symbols used in the Sacraments of Baptism and Eucharist to communicate God's presence and action.

Students identify the nature of Jesus' mission and ministry, as well as some similarities and differences between Gospel accounts of significant events, places and characters in the life of Jesus. They describe some aspects of Jewish daily life at the time of Jesus. They recognise some ways in which believers past and present honour Mary, Mother of Jesus, including praying the Hail Mary. Students recognise the significance of prayer in Jesus' life and in the lives of believers and participate with respect in a variety of personal and communal prayer experiences including Grace and the Hail Mary and meditative prayer practices especially closing eyes, praying with beads and music.
