

Scope and Sequence

Year 4

Achievement Standard By the end of Year 4, Students explain how a reader uses knowledge of the Bible to better understand God's Word. They identify different books and text types in the Old and New Testament; use the Bible's referencing system to locate books, people, places, events and objects in the Bible. Students recognise the Christian belief that God, as Trinity, is relational in nature. They identify and explain some Scriptural passages that express God as Father, Son and Holy Spirit. Students explain the significance of community for Christians. They use different texts including the Decalogue and the wisdom of St Paul and investigate experiences of different communities including the Jewish communities in first century Palestine, early Church communities in Australia (c. 1788 CE - c. 1850 CE) and contemporary Church communities to connect ideas about the significance of community for Christians.

They explain how free choices result in actions that affect the individual and their community. Students explain how practices and characteristics of contemporary parishes and dioceses are modelled on the mission and ministry of Jesus. They demonstrate an understanding of how the celebrations of Anointing of the Sick and Penance continue Jesus' mission and ministry in the life of the community. They use an appropriate structure to create prayers of blessing, petition and intercession, and demonstrate understanding of the significance of these forms of prayer for Christian communities. They participate respectfully in a variety of prayer experiences including prayers of blessing, petition, intercession and litanies. They participate respectfully in meditative prayer practices using praying with colour and mandalas.
