Characteristics of the student body

Our student body is diverse in nature, where all skills and talents are valued and celebrated. We commemorate the importance of our Indigenous heritage and recognise the Traditional land owners prior to every gathering. Many of our students have a multi-cultural background and many come from homes where English is a Second Language. This is also celebrated and supported through our ESL teacher and in our Italian Languages programme in Years 3 to 6.

Social climate

The social climate of the school is one of positive behaviours. St Bernardine's School vision is one of a school culture that promotes a proactive and consistent approach to the development of positive relationships between all members of the school community. This will be encouraged within a safe environment where co-operation, shared values and mutual respect are fostered and individual differences are recognised. Hence we strive to be a "WE CAN WORK IT OUT" School. At St Bernardine's we believe

that strong positive working relationships are important. Positive relationships allow everyone to achieve maximum potential and growth.

We have a zero tolerance approach to bullying and teach children how to identify true bullying and strategies on how to assist themselves and others. St Bernardine's has a formal policy on bullying that is available on our school website.

Curriculum - our distinctive offerings

St Bernardine's has a number of distinctive curriculum offerings including; Early Years philosophy among Prep – Year 2, Interschool Sports, Year 6 camp, and Italian for Years 5 and 6. We also provide numerous Literacy Intervention Teachers and a School Officer and two Numeracy Support and Enrichment Teachers and a School Officer in the area of Mathematics support.

We encourage regular communication with our parents through meetings with Administration Team Members and staff. The school has an official Facebook page and Twitter account. We hold

Celebration of Learning evenings in Term 1 and 3, parent-teacher interviews and formal report cards twice a year. We hold morning tea for parents at the start of every school year and at other special times throughout the year. The Principal holds 'Coffee Chats' once a term with parents. Our Year 6 Student leaders meet every week with the Principal to discuss issues, needs and learnings through out the school. Staff meet weekly and work together in partnership and support of one another. A second BCE staff satisfaction survey provided results of extremely high levels of satisfaction with staff in relation to our school, much higher than the BCE average.

Parent engagement

At St Bernardine's we welcome parental involvement in the education of their children. St Bernardine's has an extremely proactive Parents and Friends Association which encourages parental involvement and

attendance at their monthly meetings. Parents are also encouraged to be active participants within their child's classroom. Reading parents, excursion assistants, Celebration of Learning nights and library assistants are a few of the ways in which parents can be actively involved with their child's education. Parents should negotiate with their child's teacher about other ways they can be involved in their child's education. Other opportunities for parental involvement are members of the Parents and Friends committee, Uniform Shop Coordinators or helpers, Tuckshop volunteers and many other occasions. Parents are kept actively informed through newsletters, school website, class blogs and Twitter feeds, term information letters from each classroom teacher, school notice board, Facebook, Twitter and school App and other specific notices about the school including; goal setting and strategic renewal objectives of the school.
