Systematic Curriculum Delivery

There is a strong alignment between term overview, unit plans, classroom teaching and the assessment of student progress

A Culture that Promotes Learning

We use our Staff Charter
We have a growth mindset

Differentiated Teaching and Learning

Effective Pedagogical Practices

We believe in maintaining consistency of research-proven teaching practices across all classrooms

Explicit Improvement Agenda

Annual Goal: Teachers are effectively using the instructional loop to meet the learning needs of all learners in writing

Goals Instructional Loop

Learning
Intentions
& Success
Criteria

Expert Teaching Team

We are a community in which we strive for continual improvement in practice, through modelling, observing and feedback

Analysis & Discussion of Data

Responsive teaching and learning cycles with targeted strategies based on student learning data

We use formative assessment strategies daily to identify our impact on student understanding

Feedback

Systematic Curriculum Delivery Practices Agenda

•There is a strong alignment between term overview, unit plans, classroom teaching and the assessment of student progress

Effective Pedagogical

•We believe in maintaining consistency of research-proven teaching practices across all classrooms

Expert Teaching Team

•We are a community in which we strive for continual improvement in practice, through modelling, observing and feedback

Explicit Improvement

•Teachers are effectively using the instructional loop to meet the learning needs of all learners in writing.

Differentiated Teaching & Learning

•So that every student is engaged and learning successfully
