

St Bernardine's Strategic Plan 2025-2027

Our Vision

As a community of learners, we acknowledge the presence of God in each of us and in our world. We commit ourselves to living the Gospel values and we accept the challenges of a changing world.

Our Mission

As a community of learners, we acknowledge the presence of God in each of us and in our world. We commit ourselves to living the Gospel values and we accept the challenges of a changing world, as we endeavor to:

- Provide our children with Christ-centered experiences, which acknowledge and celebrate our Catholic heritage, as we accompany them on their faith journey.
- Create a stimulating learning environment in which our children may acquire attitudes, skills and knowledge to enable them to make appropriate choices in the light of their life experiences.
- Strive for excellence, whilst being guided and encouraged through the partnership of our professional, dedicated staff and supportive, caring families.
- Build positive relationships within our school, parish and wider community, whilst embracing compassion, tolerance, justice and respect for all, and support for those in greatest need.

At St Bernardine's we recognise the First Peoples of Australia and commit to honouring their voice through reconciliation and action.
